Preferred Supplier
NEE (Electrical)
Mains Charges for 2026

Summary Specifications

1. Mains only supplies will be terminated in a Grandstand Stoneleigh Events Ltd MCB or HRC isolator or directly into the client's own distribution board.
2. These supplies are not metered, and prices include current consumed.
3. All mains are 24hr – Due to the nature of RCD protection Grandstand Stoneleigh Events Ltd cannot guarantee continuity of supply.
4. A test form must be submitted to our service desk or main office to enable our test and inspection procedure to commence.
5. All installations inside Grandstand Stoneleigh Events Ltd Exhibition Halls are subject to N.A.E.H. regulations and the Electricity at Work Act 1989.
6. All installations on the open areas of Grandstand Stoneleigh Events Ltd are subject to their regulations, Health and Safety Guidelines and the Electricity at Work Act.
7. Grandstand Stoneleigh Events Ltd reserves the right to refuse connection to any installations that do not comply with the regulations.
8. Grandstand Stoneleigh Events Ltd reserves the right to refuse to process orders until full payment has been received.
9. All major credit cards accepted (except American express).
10. Including in these prices is a standby electrician during normal working hours (8am - 6pm) for further standby this is negotiable
